NOTICE TO CAPITALISTS.

I SHALL Proceed to sell to the highest bidder for cash, at the Court House door in the Town of Louisburg, on the 1st Monday in November next, it being the 7th day of the month, some Twenty or Twenty-five Thousand Acres of valuable Land, among which is the well known Portis Gold Mine, lying in Franklin county on the waters of Fishing and Shocco Creeks, containing nine hundred thirty-three and one-third (933⅓) acres together with all the Machinery and appurtenances.

Also all the chattle property. This property is so well known that any particular description is deemed unnecessary. The entire tract is rich in Gold, and all the difficulty is a full supply of water. We are informed that an Independent Water Company is now surveying a ditch from Sandy Creek, to supply this and other Mines in the neighborhood with water. When this is done and it will be accomplished in a few weeks, this property will be immensly valuable The property will be sold for cash and unless parties from a distance come in competition, it must be greatly sacrificed.

IMPORTANT TO ALL WHO VALUE THEIR SIGHT.

CONCAVE CRYSTAL — CONVEX LENSES

THE SIGHT OF THE AGED ASSISTED, THE WEAK STRENGTHENED AND THE PERFECT PRESERVED.

The Celebrated Concave Convex Crystal Spectacles, and Eye Glasses Manufactured by the

PHILADELPHIA OPTICAL INSTITUTE,

HAVE now been a long time before the public, and the rapid and increased demand for them, combined with the universal acknowledgment of their clearness and vision and ease to the eye, shows plainly that they are superior to any other glasses in the market.

The advantages claimed for the Concave Convex Crystal Glasses are the following:

The Lenses are ground of the best material pure and hard, and made only for optical purposes, they are therefore not liable to get scratched or dim.

They confer a brilliancy and distinctness of vision not found in any other glass.

They can be used equally well by day or candle light without tiring or fatiguing the eyes.

They are ground mathematically true in the concave convex mirror, according to the philosophy of nature, and shape of corner of the eye, therefore assisting nature only instead of forcing it.

That the lenses are centered correct into the frames.

They can be used longer than any other glasses without changing to a higher power.

The frames are made strong and durable by experienced workmen and warranted to give satisfaction.

With a view to meet the increased demand for our celebrated Spectacles we have appointed an agent for this neighborhood, as stated below, who has received all needful instructions, and will, in all difficult cases, have the assistance and consultation of a practical Optician from the Institute here

very Caswell and Alamance prisoner will send us, for publication, the particulars of their arrest and imprisonment.

As to the impeachment of Gov. Holden that seems to be agreed upon by his own Judiciary. We applied to Judges Dick and Settle for a bench warrant against the Governor. They declined to give it, stating that our remedy was by impeachment. Others of the Judiciary have declared to us the same sentiment and refused us a bench warrant. If Republican Judges in this way declare for impeachment, we take it a Conservative Legislature will not hesitate to apply the remedy they point out.

We were told in Bertie that the Republican member elect for that county had declared for impeachment. We have no idea he will be of that mind long, after he gets here in November. But we shall see what we shall see.

NECESSITY FOR A CONVENTION.

So far as the utterances of the public press of the State and the general expression from our leading men, are indices of the general sentiment, we have known no proposition involving so great interest, to be so popular or so generally desired, as the calling of a State Convention for the Amendment of the Constitution.

Equally unanimous is the desire that the Convention should be a *restricted* one. No one desires any change to be effected, nor is any one advocated either directly or indirectly, a change in the constitutional provision *fixing the homestead*, nor in any provision now made *to secure the civil and political rights of every man, woman or child in the State, without regard to race or color or previous condition*. These are regarded as a fixed policy of the State, and no one desires or advocates any, the least, infringement or departure from the Constitution of the United States as it is. The charge upon the Conservatives to the contrary, by whomsoever made, is basely false and without a shadow of foundation. The changes desired, relate purely to our internal and municipal affairs, having no reference whatever to national or partizan politics. Indeed, politics, except so far as it relates to changes in our municipal government, has nothing to do with the question, and should not enter into it.

But why not wait until the system is tested and carried out? We have had already such a taste of its unsavory and deleterious character, as ought to satisfy every honest palate, that there "is death in the pot." Another two years experience such as we have had in the past, would ruin the State and people beyond recovery.

Let us notice some of the results, if the present Constitution is continued in force:

The expenditures for conducting the State government, exclusive of the public schools and interest on public debt, for the year ending the 20th of September last, will not fall short of $700,000. Under conservative management it can be reduced one-third if the Constitution is not disturbed, but if the proper changes can be effected in that instrument, it can be reduced to one-half. Under the Constitution it is, the attempt to educate every child in the State between the age of 6 and 12, would require about 3,160 schools, white and black. To pay the necessary teachers an average of $150 per quarter, would cost only for three months instruction in a year, $324,000, if kept for four months, the cost must be $432,000,—add to this only $12,000 a year for the University, would amount to $336,000 or $444,000, taking no account of the cost of collecting and disbursing that sum, or for paying officers of the Board. But the heaviest item of expense which will fall annually on the people of the State, will arise from the new county and township governments. Before the war the ordinary county taxes, generally equaled the State tax levied by the counties. Under the new county and township governments, the tax will more than exceed four times what it previously did. And when you add the expense arising from the immense business thrown into the Superior Court, the delay occasioned by it, the increased costs thence arising, and prison fees, &c. it will more than reach eight times the former expense. Moreover the new regime of County and Township government and the new Code of Civil Procedure, appear so awkward, troublesome and vexatious to our people, they will not stand it.

But we have not done with the costs of the system. If the State Constitution remains as it is, another University must be built for the colored youths of the State.—This will involve a cost of $50,000 for building &c. besides the annual expense.—If the Radical programe is carried out, there must be an additional Institution for the colored deaf and dumb and blind, to cost about $50,000, an additional Lunatic Asylum for the colored insane at a cost of $50,000, and of course the additional annual expense of keeping them up. If all the public schools of the State on the Radical plan were to go into operation during 1871, it would require the erection of 1200 additional school houses, which at $150 a piece, would cost $180,000, but if they were such as Mr. Ashley desires, they would cost $600,000! The additional cost to the Counties or people for school books and incidental expenses in keeping up the schools only for four months in the year, would add to the expense about $380,000.

For curiosity's sake, let us see what the people of North Carolina, if they were rich, able to pay the interest on their debt, and able and willing to carry out the Radical programme to the letter, what amount would have to be collected from them in 1871 to meet it:

Interest on public debt,	$2,040,000
Expenses of State government,	700,800
Expenses of County and Township governments, over	200,000
Public Schools for four months,	4,62,000
Building school houses,	600,000
Building colored University,	50,000
" " colored Institution for mutes, &c.	50,000
Building colored Insane Asylum,	150,000
Cost of additional annual expense,	60,000
Costs of school books and incidentals,	380,000
Annual amount for Penitentiary till completed,	200,000
	$5,342,000

In this, we take no account of the co

of public roads, building work houses, jails, and Court Houses. The foregoing is not an extravagant calculation. To carry out the schemes contemplated by the framers of the Constitution as it is, the people of North Carolina would be required to pay for the support of their public schools, public charities, and for the support of the State government, $5,342,000 for the year 1871. Some suppose that the cash value of the taxable property of the State, of all kinds, would not exceed $150,000,000.—The income of the owners of this property annually, in the aggregate, is not estimated at more than 6 per cent. Say that it yields 5 per cent, the next yield is not 2 per cent. If so, the Radical platform requires of the people to pay taxes equal to one half of their gross income, for the foregoing purposes. Can these things be done? The Constitution says, they must be done! The question is, shall we attempt to do what we know is an impossibility or shall we pay no regard to it, or shall we amend the Constitution? Common sense, common honesty, loudly demand, let us amend the Constitution.

A MULTIPLICITY OF FALSEHOODS.

We clip the following paragraph from the *Standard* of Tuesday, for the purpose of making a few laconic comments thereon.—Since this paragaph was published, the invisible editor has promised to make the *Standard* a "decent" paper, and we hope he may succeed, for a batch of more indecent, unmitigated, shameless falsehoods could not well be condensed in the space of the paragraph which we now proceed to give:

> The plans of the Conservatives as thus far shadowed forth, we have already hinted at. They propose
>
> To call a Convention;
>
> To impeach the Governor;
>
> To remove the present eminent and able State officials;
>
> To revolutionize the common school system;
>
> To abolish the homestead law;
>
> To nullify the 14th amendment;
>
> To nullify the 15th amendment;
>
> To nullify the reconstruction acts;
>
> To inaugurate the Invisible Empire.

Now, how does the writer know that the Conservatives intend to call a Convention? The matter has been discussed, but by no means settled. The people, Republicans as well as Conservatives, demand material changes in the present Radical constitution, which changes may, perhaps, be made by the alternate method of legislative amendment.

The next thing to be done, says this writer, is "to impeach the Governor." Well, they have talked of it; and ought he not to be impeached? He advised the sale of N. C. Railroad bonds at a rate so much below their known value, as to cause a loss of several thousands to the State; he appointed men to the Presidency of Railroads whom he knew to be misapplying the funds of the Roads, and kept them there until they had accidentally embezzled millions of dollars to their own use; he has nullified the fundamental law of the State, instituted military rule in time of peace, arbitrarily suspended the writ of *habeas corpus*, seized and imprisoned citizens without accusation, and after forcibly incarcerating them for weeks, released them because he could find no charge against them; these and a hundred other crimes against the people and the State has he committed, and yet his Radical, partisan Judges refuse to hold him amendable for his conduct, and shall he not be impeached? A failure to do it would be holding out inducements to future Governors to commit the same crimes.

"To remove the present eminent and able State officials" That savors so much of irony that we let it pass as a joke.

"To revolutionalize the Common School system." If we have any Common School *system* at present, we have failed to discover it. The Conservatives we believe, intend to organize an effective common school system, and in order to insure its greater efficiency, will conform it to the wants of the people and their ability to support it, and will place at its head a man from some more congenial locality than Cape Cod or Buzzard's, Nantucket or Passamaquaddy.

"To abolish the homestead law." The writer *knew* when he penned that line, that he was writing down a deliberate, willful, mischievous falsehood and slander. Yes, he *knew* it, and he wrote it for the express purpose of misrepresentation. The Conservative party, so far from abolishing the homestead law, will oppose such a movement to the bitter end.

The other declarations of this paragraph are equally false, equally slanderous, and equally mischievous as the one noticed just above.

Some people seem to think that lying, in a smooth, quiet way, and for party purposes, is no moral sin, and we guess the writer of the paragraph quoted, belongs to that hypocritical, puritanical class.

ELECTIONS NEXT MONTH.—In November there will be elections in fifteen States, namely:

Nov. 7—being the "first Monday" of the month—Arkansas and Louisiana.

Nov. 8—being the "first Tuesday after the first Monday"—Alabama, Florida, Illinois, Kansas, Maryland, Massachusetts, Michigan, Minnesota, Missouri, Nevada, New York, New Jersey, Wisconsin.

Georgia will hold an election in December—the time being put off to that late day in order to bring it about after the meeting of Congress.

There will be no election in Mississippi.

The election in Missouri has a particular interest arising from the division in the republican ranks on the question of restoring the ballot to ex-rebels. A large party, under the able leadership of Senator Carl Schurz and ex Congressman Gratz Brown, have declared in favor of enfranchising the rebels, while Governor McClurg heads the regular republican party, and holds that the time for rebel enfranchisement has not yet come.—*N. Y. Herald.*

The Montgomery *Mail* says:—"It is not true that the horde of carpet-baggers from Mobile now floating around the city are fleeing from yellow jack. They merely left the first district to keep from supporting Ben Turner, the negro nominee for Congress. The carpet-baggers say they can't stand so much nigger."

MEETING OF THE CITIZENS.

A meeting of the ladies and gentlemen of this city, will be held at Tucker Hall, at half past 3 o'clock, P. M., to day, (Friday) to consider the duty of expressing our grief for the death of our venerated and beloved, Gen. Robert E. Lee, and the manner in which it shall be done.

The ladies are especially invited to attend, as well as every gentleman in the city.

CHANGE.—By a reference to the advertisement, it will be seen that Edwin Forrest makes his appearance among us a day sooner than was first announced. He opens in this city on Monday the 17th, instead of Tuesday the 18th inst.

Rescue Steam Fire Engine Company will meet at their Hall promptly at 7½ o'clock, this (Friday) evening. A full attendance is earnestly desired, and fines will be enforced against absentees.

GENERAL FEELING.—Our citizens generally manifest deep regret at the death of Gen. Lee. We observe that the flag over the store of Messrs. W. H. & R. S. Tucker & Co., was kept at half mast all day, in respect to his death. We observe, however, no such demonstration from the dome of the Capitol. Many of the late Confederate officers and soldiers appear on the streets with crape on their arms, adopted without previous concert.

PETERSBURG FAIR.—Petersburg and the middle counties of North Carolina, have been so long identified in trade and interest with each other, that it would sound strangely if Petersburg were to have a *Fair* and not invite the cordial participation of the middle counties of this State. See the notice of the Petersburg Agricultural, Horticultural and Emigration Association, in our columns to-day. We hope our citizens will manifest proper interest in the matter.

PROF. W. J. PALMER.—This gentleman and family departed Thursday morning for their new home in Bellville, Canada. As Principal of the Institution of Deaf, Dumb and Blind, of this State, Prof. Palmer won for himself a good reputation, and his departure from our State is a matter of regret to a host of friends. If Prof. Palmer's success in the management of one Institution be a criterion, then we are assured that his usefulness in his new field of labor will at once be felt and appreciated.

FURNITURE WAREROOMS.—House keepers and other persons desiring to purchase furniture would do well to call on Mr. Fraps, Fayetteville street, just opposite to Mr. Young's Boarding House. A hasty examination yesterday, disclosed to us the fact, that Mr. Fraps has really a splendid assortment of everything to be found in a first class furniture ware room. We have not time or space to enumerate and describe all the pretty things we saw, but must refer the reader to Mr. F. who will take pleasure in showing visitors around his establishment.

ATLANTA GEORGIA FAIR.—We are under obligations to Mr. B. W. Wrenn, General passenger and ticket Agent of the Western and Atlantic Railroad, for a free pass to Atlanta and admission to the great State Fair to come off in a few days. It would delight us to visit that Fair, as we judge it will eclipse anything ever attempted in that line in the South. Success to agriculture and to Georgia.

Col. W. J. Hoke, for many years a prominent citizen of this State, died suddenly in Columbia S. C. on Tuesday morning last. Col. Hoke was an accomplished gentleman and a gallant soldier in the late war.

M. Busbee, John C. Blake, Joseph Harris.

On motion, the names of the Chairman and Secretary were added: F. H. Busbee and W. H. Finch.

A meeting of the delegates is called at the SENTINEL office to night at 7½ o'clock. All are earnestly requested to attend.

We mean to make the *Standard* a decent paper, that no man's wife will blush at.—*Standard of the 12th.*

High time that you should, neighbor; but will the promised improvement be like the present arrangement for its publication, only temporary?

The "war" in Robeson county continues. On Saturday last Mark Sanderson, a mulatto, was near Moss Creek, riddled with bullets. Other mulattoes are reported missing.

Cotton is coming freely into the Charlotte market.

The Wilmington papers are still kept busy chronicling burglaries, which are nightly perpetrated in that unfortunate city.

Thayer's Circus will visit Goldsboro on the 21st inst.

There is a flourishing Temperance order in Elizabeth City, called the "Knights of Jericho."

PUBLIC SENTIMENT.—An intelligent gentleman of Bertie who is in a position to know public sentiment gives expression to his opinion in a private letter to us, in the following terms:

"There is but one sentiment here with every Conservative in this county, in which, many Republicans unite with us, and that is for a Convention and a change of the government in North Carolina. Give us our time-honored institutions, and away with the heterogeneous foreign importations, miscalled the Constitution and laws of the State."

For the Sentinel.

LETTER FROM CASWELL.

Hon. Josiah Turner, Jr.:

MY DEAR SIR—Our relations being of so close a character while in jail at Graham, I have concluded to let you hear from me by mail.

I did not require the assistance of Judge Pearson and Burgin to get here as on a former occasion. I shall ever look upon Judge Pearson as the man who put us all in jail. If he had performed his duty as he did during the war, Kirk and Burgin would have soon been halted in their lawless career. They were powerless without the aid and co-operation of the Chief Justice.

I see from the SENTINEL, you have not recovered the property of which you were robbed. I am out a pistol and two pocket knives. I sent to Jo's dad for them, but they were not returned.

I write to say, I want to see the subject of impeachment discussed in the SENTINEL. I do not know of a man who is not for it, and especially for the impeachment of Judge Pearson. I am told that when Judge Brooks discharged you and others at Salisbury at every depot as Judge Brooks passed, there was three cheers for Brooks and three groans for Pearson.

I rely upon you to see that Kirk and Burgin get all that is due them from a violated law. I rely upon the Legislature to give Judge Pearson and Gov. Holden what they deserve, for arresting without law, and chaining, and imprisoning, and even hanging, by the neck, respectable citizens of North Carolina, before they had been tried or made accusation against them.

Punishment must follow such lawless brutality. Kirk and Burgin should not bear it all. They were but the instruments in the hands of the Governor and the Chief Justice. If it were left to me to exempt from punishment Kirk and Burgin or the Governor and the Judge, I would say let Kirk and Burgin return unpunished to the bosom of Brownlow.

In or out of jail, I am very truly,
Your friend,
F. A. WILEY.

TELEGRAPHIC.

Thursday Evening Dispatches.

WASHINGTON.

WASHINGTON, Oct. 13.—OHIO.—The Republicans concede Schenck's defeat. The 4th district is probably Democratic. The Republican majority in Hamilton county is 2 634. The Republicans apprehend Bingham's defeat, but there are no figures from his district. Dispatches from Republican sources, late last night, claim his election by a small majority. His district is the most difficult to hear from next to Schenck's. The Republicans here seem to take most interest in Bingham.

A private dispatch just received here from Mount Vernon, Ohio, states Morgans majority is 2,400, a gain of 800 since the last election.

The Collector of Savannah, finding the flag on the Custom House at half mast in respect to Gen. Lee, ordered it to be placed full mast and telegraphed Boutwell of the fact. Boutwell replied, approving his action.

A dispatch from Senator Morton to Secretary Boutwell announces that the Democrats have elected the Indiana State ticket by about 2,000 majority. The Legislature is doubtful.

INDIANA.—In 54 counties, partly official, the Democrats have 991 majority. The counties unheard from, gave the Republicans 1,481 majority in 1868. Both parties claim the state by a small majority. The Democrats claim a gain of one Congressman and probably two hundred Democratic majority in the 7th district and four hundred in the 4th district, the last is still doubtful. The Republican majority in the 5th district is about 500. The 9th district re-elects Shanks.

PENNSYLVANIA.—The Republicans claim the 16th district by 18 votes. The 17th district is doubtful. The 20th district is Democratic, a majority of 700. The 21st district is Democratic by a majority of 600. The 24th district is Democratic by a majority of 900.

FOREIGN.

LONDON, Oct. 13.—A dispatch from a French source just read, gives the following: "An engagement occurred on Monday the 10th near Burgeois, between a body of Franc-Tireurs and Prussians, after a short conflict, the latter retired with a loss of 30 killed and wounded. The French loss not given. The occupation of Orleans by the Prussians is not yet confirmed, though it is certain that the French have fallen back along the left bank of the river. The Prussians are leaving Gournay and marching to Gensors, turning from St. Quentin and threatening Amiens.

An engagement occurred at Mattigras yesterday, between the Uhlans and Hussars. No result given. A force of eight hundred Prussians and five hundred Saxons have already occupied Gisors. The Germans have also appeared at Montdedier, where a small detachment was defeated by the franc-tieures.

A telegram from Arion, Belgium, dated last evening, says that heavy cannonading has been heard to-day in the direction of Thionville. It is said that the garrison of Montmedy has retreated to Stenay.

Particulars of the battle before Metz on Friday last, have just been received: The French made a sortie in force, and after a battle were driven back with tremendous losses. The Prussians took a great number of prisoners. Cattle in and around Metz are dying by hundreds from Rinderpest. The bodies cannot be buried quick enough to prevent epidemics. Notwithstanding the heavy frosts the disease is spreading rapidly. The French fire from the fortifications of Metz continues incessantly. The franc-tieurs have not been uniformed. The Prussians do not regard them as regular soldiers of France, and shoot them on sight. The defeat of the French at Artenay, opens the way to Orleans. The Prussian occupation of that city is hourly expected.

On Monday a Prussian cavalry Division drove four hundred Mobiles across the Soire, near Cheviey. The latter lost heavily.

Nothing important has been received from before Paris.

It is expected that Prussia, in view of its delicate relations, with England and in consequence of the latters alleged violation of neutrality, will give Von Bernstaff, the Northern German Ambassador, an indefinite leave of absence, leaving only a charge of affairs at London. It is now said that the revolution in Algiers is unchecked. In the Province of Constantine, the insurgents have gained some advantages and bid the authorities defiance.

A correspondent of the *Standard*, charges the Prussians with constant exaggerations. He writes that the number of men and amount of material captured at Strasbourg, should be reduced at least one half from the Prussian figures.

Prussia is now negotiating with the smaller States of Germany for national unity under Frederick in place of Federation.

The sessions of the North German Parliament will probably be resumed before the meeting of the Prussian Diet. Parliament will be required to provide means for war and adjust all questions springing therefrom. The election for this body will probably occur on the 19th inst. and for Deputies on Prussian Diet eight days later.

The weather is heavy with fearful gales.—Much damage to shipping in Liverpool.

BERLIN, Oct 13.—The French fleet is off Heligoland, and it is known that Garibaldi has left Tours in company with Col. Trapoli, for the seat of war. Their exact destination is not divulged, but it is intimated he will command at Orleans.

BERLIN, Oct. 12 VIA LONDON, Oct. 13.—Obstacles to the conveyance and planting Prussian siege guns, has been so far over come, that the cannonading before Paris, may be momentarily expected.

BRUSSELS, Oct. 13.—The French prisoners have been removed from Beverloo because of a conspiracy to murder the guards and escape. The "Echo," of this city, doubts the story of Napoleon's complication in any conspiracy. He is too eager for his personal safety to return to France.

The rinderpest is spreading rapidly throughout Belgium. Much alarm exists here and in Holland and Prussia.

TOURS, Oct. 12.—Midnight. No news has yet been received from Orleans or Chatteraudun, whither reinforcements were sent last evening. Much anxiety is manifested, as it was known that the Germans were in heavy force in that neighborhood. Gen. Cambrida, reports having gained a considerable advantage with his command, over a force of 15,000 Prussians near Bruzers.

FLORENCE, Oct. 13.—Engineers say it will require two years to prepare Rome to serve as the capital. The government will therefore continue to remain at Florence indefinitely.

Thursday Night Dispatches.

WASHINGTON.

WASHINGTON, Oct. 13.—A special order of the War Department ordering a Court Martial to meet on the 20th instant, at West Point, of which Gen. O. O. Howard is to be President, to try Cadets Jas. W. Smith, colored, John W. Wilson, W. S. Davis and Geo. C. Hoyle, has been issued. Smith is the colored Cadet who sometime ago preferred charges of ill-treatment.

The President accompanied by Secretaries Fish and Robeson and other distinguished personages, together with the Maine Band, visited the State Fair at Frederick, Md., to-day, and will return on Saturday.

TENNESSEE.

MEMPHIS, Oct. 13.—There was a heavy frost last night. It is feared that great damage has been done to late cotton.

The announcement of Gen. Lee's death caused profound sorrow. Bells were tolled and a public expression of sorrow by the citizens will be made.

PENNSYLVANIA.

PHILADELPHIA, Oct. 13.—The result in the 5th Congressional district, can only be known by the official returns. Buck's county is Democratic by 3 to 4,000. It is reported in the 15th district, that Merrill, Republican, is defeated.

The official returns in the 1st district make Randall's, (Dem.) majority 4 148. In the 2nd district Creely, independent Republican, gets 925 majority. In the 3rd district Myers, Republican, gets 1,3 5 majority. In the 4th district Jelly, Republican, 4,702 majority. In the 5th district Harmer, Republican, 1,448 majority.

HARRISBURG, Oct. 13.—Latest reports from the 16th district make Myers' apparent majority 12. Only the official vote will determine who is elected.

HUNTINGTON, Oct. 13.—R. M. Speer, Democrat, is undoubtedly elected in the 17th district over Morrell, by 125 majority.

GEORGIA.

ATLANTA, Oct. 13.—Both houses of the Legislature adopted resolutions to adjourn to-morrow until Monday, to attend the obsequies on Saturday of Gen. Lee. The citizens are arranging for imposing ceremonies. Gen. John B. Gordon is expected to deliver an eulogy on General Lee.

MISSISSIPPI.

MERIDIAN, Oct. 13.—The first frost of the season appeared here this morning.

VIRGINIA.

RICHMOND, Oct. 13.—Richmond presents today a scene of mourning never before witnessed. Stores and public buildings are all closed. Bells in all parts of the city are tolling. Over many doors are pictures and photographs of Gen. Lee, draped in crape with evergreen. Citizens are standing in groups on the principal thoroughfares, and talk in subdued tones of the sad event. The feeling that he ought to be buried here at the State's expense is universal and the legislature in making this request of his family, reiterated public opinion.

The City Council meet this afternoon at the call of the Mayor.

Gov. Walker sent the following message to the General Assembly: "It is with unaffected grief that I announce to you the painful intelligence of the death of Gen. Robert E. Lee, at Lexington, on yesterday morning. He died as he lived, a noble examplar of the sublime principles and teachings of the christian religion. He goes down to the tomb amid the lamentations of an affectionate and sorrowing people. Of exalted public and private virtue in his life and career, he filled the full measure of our conception of a man.

A stricken family, a bereaved State and an afflicted people, bow with reverence and humility before this visitation of Divine Providence. It is fitting that you, the Representatives of the people, should take such appropriate action as the melancholy occasion suggests, and I believe you would but give expression to the universal desire of the people, should you solicit the interment of the remains upon the grounds owned by the State in the Hollywood Cemetery, where hereafter, they may raise a monumental shaft, commemorative alike of their sincere and lasting affection for the man and their profound appreciation of his greatness and goodness."

After reading the Governor's message, a joint resolution was unanimously passed, expressive of the deep sorrow of both Houses at the sad event, and requesting that the body be turned over to the State for interment at Hollywood Cemetery, near this city.

A joint committee, consisting of five members of the House and three of the Senate and their presiding officers, were appointed to go to Lexington and escort the remains here, if the request be granted. The Legislature then adjourned.

FOREIGN.

LONDON, Oct. 13.—The Russian journals infer from the fact that the Germans are purchasing sheep skins, that a winter campaign is certain.

The French ambulance corps has been disbanded and others organized by the members of the French press. The new French coat of arms has made its appearance. It consists of a figure of liberty with the legend "in the name of the French people." On the reverse is a garland of mixed oak and olive with a wheatear in the centre, also an inscription "Republique Francaise democratique une et indivisible"—Around p riphery are words "liberte, egalite, fraternite."

Ex Queen Isabella of Spain has settled near Geneva. She has a fine residence near the lake. Prince De Joinville is in Geneva.

LILLE, Oct 13.—A balloon from Paris descended at Tournay to-day. The navigator had much difficulty in alighting. The news from Paris is most cheering. The popular ardor is undoubted. The soldiers there are anxiously awaiting the Prussian attack and have no doubt of their ability to withstand it. Perfect order is maintained everywhere. The confidence in Trochu is limitless. Everybody is quiet, firm and courageous.

TOURS, Oct. 13.—A Paris letter printed in the *Constitutionel* says that the word "peace" is tabooed in Paris. Everybody is casting cannon, making mitrailleurs and constructing pontoons. Enough of the latter is being constructed to bridge the Atlantic ocean.

An official decree appointing Genl. Aurelle de Paladines, to command the army of the Loire, in place of La Matterouge, is published to-day.

A late message from Paris has the following comprehensive statement: Materials for workmen, coal and metals, food and good will are abundant here.

VERSAILLES, Oct. 13, via Berlin and London.—Yesterday the French army of the Loire were driven out of Orleans after nine hours fight.—Orleans was subsequently stormed. The Prussians took upwards of ten thousand prisoners.—Their own loss was small. Bavarians participated in the engagement.

QUEENSTOWN, Oct. 13.—Details of a dreadful storm around our coasts last night are coming in rapidly. At Limerick, Ireland, the storm was little short of a tornado. One man was blown into the floating dock and drowned. Another's skull was crushed by the falling of a boom. Houses were unroofed and vessels driven ashore. The storm was very severe around the coasts. It is impossible to get details for several days. It is supposed that many shipwrecks have occurred.

FLORENCE, Oct. 13.—Parties who have been arrested from time to time lately for attempting to evade military service, have been amnestied.

THE MOST VIGOROUS AND PROGRESSIVE COMPANY IN THE WORLD.

The Equitable

LIFE ASSURANCE SOCIETY OF THE UNITED STATES

120 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,
GENERAL AGENTS,

CHARLOTTE, N. C.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its cash assets are upwards of $18,000,000.00 and constantly increasing.
2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $6,500,000.00 and steadily growing larger.
4. None of this is composed of the notes-of-hand of policy-holders, as the case in many companies.
5. It has paid to widows and orphans, and other claimants under policies on deceased members, about $4 000,000.
6. Such payments are made in cash, and not partly in cancelled notes, as is the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as is the case in all Note Companies.
8. The sum of $3,500,000, and upwards, in cash divided among policy-holders, (this included the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured Equitably, instead of being wholly or partially distributed among the stockholders, as is the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available as cash in payment of premiums.
11. The dividends are made from the start, and not postponed until after the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made more progress since its organization than any other Life Company in the world.
14. Its risks have been so carefully selected and its dealing so equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It issues all the popular styles of policy, including "Ten Year Non-Forfeiting" and "Endowment policies."
17. The amount of new business during the year ending December, 1, 1869, was $51,921,141.00.
18. Its policies average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of division, and not by the mode adopted by many companies, which is grossly unjust to a large proportion of the policy-holders.
20. It is as liberal in the conduct of its business as is consistent with safety to the assured, and does not sacrifice proper caution to an ambition to increase the nominal amount of its business as is the case with many new companies.
21. It is the favorite company in the United States, as is shown by its new business for last year, being nearly $13,000 000 greater than any other company.

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!
No more Smoke!—No more Grease!
No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1869.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uniform to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a safe and brilliant illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

FOR THE IMPROVED

"UTLEY COTTON PRESS."

THE "UTLEY PRESS" So well known, and which gave entire satisfaction last season, can be obtained of me at Raleigh, or my Agents, Messrs. Mitchell, Allen & Co., Newbern, with its improvements.

Price $175.00.

This invention of power, whereby all friction is overcome, its simplicity, economy and durability, astonishes all who see it; and the more so, that a power so simple should have remained so long unappropriated. The strain is wholly borne by the Bed Plate, Follower block, and two 1¼ inch square iron bars, which is capable of sustaining a strain of 190,000 lbs. Thus giving much more strength than is required. WITH THIS PRESS TWO MEN CAN PACK A BALE OF COTTON WITH EASE IN EIGHT MINUTES WEIGHING FROM 400 to 550 lbs.

One man can do the work, only requiring longer time.

It occupies a very small space, and can be so placed as to receive the lint direct from the Gin or Lint Room, as may be desired. Thus doing away with baskets, and frequent handling of the lint.

It is light in weight, can be taken down or put up in 30 minutes and transported on a two Horse Wagon.

I believe it unequalled by any Press for power, convenience and durability.

Press complete—Depth Cotton Box 8 feet. Size Bale 4½ feet x28x28x30in; wt. Bale 400 to 550 lbs

T. H. BRIGGS, Esq.: Dear Sir:—I used the "Utley Cotton Press." I purchased from you last season, and consider it to be the best Press I ever saw. Having packed bales to weigh from five hundred and ninety (590) to six hundred and twelve pounds (612.) I consider it the best and most durable Press I ever saw used, and can cheerfully recommend its use to the farmers of North Carolina.

Yours truly, C. W. BYNUM.

MR. THOMAS H. BRIGGS: Dear Sir:—Yours of 13th instant inquiring as to the merits of the "Utley Cotton Press" is to hand, and in reply I would say that I have tried other Presses and consider the plan upon which the *Utley Press* works cheaper, simpler and more durable than any I have met with.

Yours very respectfully,
JAS. B. WILDER

THOS. H. BRIGGS, Esq., Raleigh, N. C.: Sir—I have used "Utley's Cotton Press" for baling hay for some months. It works well and gives entire satisfaction. I regard it as the best Hay Press I have seen.

T. H BRIGGS, Esq., Raleigh, N. C.: Dear Sir:—I used the "Utley Cotton Press" I purchased from you last season. I packed my own crop of cotton also other crops for my neighbors, making in all one hundred bales. I consider it superior in all respects to any Press I have ever seen and that it is every thing the patentee represents. I packed bales weighing from four hundred to five hundred and ninety-seven pounds.

Yours truly, W. T. BOWLE.

BENEFIT LIFE INSURANCE COMPANY

OF NEW YORK.

Cash Assets over $1,500,000,

ISSUES ALL FORMS OF NON-FORFEITABLE WHOLE LIFE AND ENDOWMENT POLICIES, on the Mutual Cash Plan, declaring Dividens annually after the first annual premium paid. Assetts exclusively Cash with no portion of its reserve fund in premium notes, consequently its "reserve" is stronger than that of any Company doing business in this State. No "*Definite* surrender values *guaranteed*" as an inducement to new business, but reference is made to the average amount, paid on each surrendered policy as shown by New York Insurance Reports, 1869 in evidence of having paid larger surrender values, than has been given under a minimum "Definite Cash Surrender Value." *Death losses* have not occurred, out of *several hundred policy holders* in this State, which fact must establish the better ability of the Company, to pay larger dividends than Companies having an excessive mortality, the result of a selection of bad risks. "*Paid-up Dividends* are not declared but *Dividends* are given from the actual surplus, in accordance with the Company's Charter. The attention of the public is invited to the following comparison of cost, demonstrating the advantages over ordinary insurances, of the

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks,*—upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.
